Dynamic Asia

This itinerary begins and ends with overnights in two of Asia's Most animated cities, but the stops in between are just as exciting, creating and Asia experience that will leave you breathless. We're pleased to be able to introduce Taipei to guests for the first time, to see how traditional Asia has so easily fallen into step with the region's economic vibrancy. See Taipei 101, a 101-floor skyscraper that stands out even against this busy skyline, or the National Taiwan Democracy Hall, which exudes an Eastern architectural influence. On this trip, we'll also visit Nagasaki, Japan, where we'll find an air that is both celebratory and solemn, with landmarks like the Peace Memorial Hall and the Oura Church, the oldest Catholic church in that country.
