July 28: Avignon**Featured Excursion: Avignon walking tour and Palace of the Popes**

Nestled in the lush hills of the Rhône Valley lies the medieval walled city of Avignon. Named the "City of the Popes," it was the center of the Catholic Church in the 14th century when the Palace of the Popes was the equivalent of today's Vatican. Your walking tour of Avignon starts at Clocktower Square, with its many cafes, shops and namesake clock tower dating back to the 1300s, and now part of the Hôtel de Ville (City Hall). Next, it's on to Pope's Palace Square for an inside visit of the grand Palace of the Popes. (BB, L, D)

Charming Viviers has retained much of its old charm and was developed around its Romanesque cathedral. Our tour in Viviers starts in Old Town with an introduction to the city. Discover the secrets of world-famous Valrhona chocolate during an informative onboard lecture and tasting arranged by the Valrhona School of Chocolate. (BB, L, D)

July 31: Lyon Featured Excursion: Lyon city tour

The city was founded by Julius Caesar about 2000 years ago, and as a result, it has a wealth of Roman remains, as well as many impressive museums, renaissance architecture galore, and – of course – world-renowned cuisine. We'll start our tour with a drive to the Basilique Notre Dame de Fourvière, Lyon's hallmark church, for a dramatic view of the town built at the confluence of the Rhône and the Saône Rivers. From the bus, we'll view Terreaux Square, the Fine Art Museum, and the Opera House. During the afternoon, you'll have free time to explore. Rent one of the public bicycles to ride in the many parks and squares along the Rhône, walk through the renaissance quarter with its maze of medieval passageways, or simply relax with a glass of Beaujolais at one of the many taverns. Marvel at the multicolored roofs of this architectural jewel that has become one of the symbols of Burgundy. Founded in the 15th century, the Hospices were given some vineyards so they could make wine to auction off to support charities, and today the tradition still continues.
