South America Highlights

A cruise to South America supplies the imagery that can only be described as otherworldly. Sail Cape Horn's magnificent coastline. Those who take this cruise to Cape Horn swear it is every bit as spectacular as Alaska. Their reports are filled with mystical glaciers and fjords, forested coastline and wildlife in abundance—from whales and penguins to condors with enormous wingspans.

If that's not enough, legendary Antarctica lies just beyond with its towering cliffs of blue ice and amazing wildlife. Without a doubt, South America is one of the most exotically diverse cruises you can experience.
